Studio Sturzenegger GmbH
Zürich

Agency Founder
November 2015

Bolero | Ringier AG
Zürich

Art Director & Member of the Editorial Board
since 2002
Junior Art Director
since 1998

As head of the graphic and picture department, I was responsible for the visual look, design and production of the magazine. Furthermore taking care of the fashion, beauty and still life photoshootings – from the first concepts to its realisation on site. Together with the editorial board I was developing the overall strategy of the magazine and creating line extensions such as the jewellery publication «Rocks & Stones».
